### Case Study

Watch Google's video on how Social Mobile developed a unique, first-of-its-kind, certified vaccine management solution during the COVID-19 pandemic.

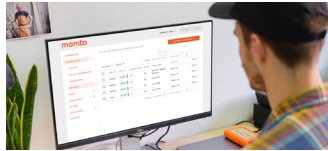

### Our Products and Solutions

#### CUSTOM HARDWARE

Custom, enterprise-grade devices from phones to tablets, wearables, point-of-sale terminals, and kiosks

#### DEVICE MANAGEMENT

Complete lifecycle management of your entire fleet of devices. Support zero-touch enrollment. Remotely secure and support devices. Push security updates and IT policies.

#### MANAGED SERVICES

Simplify management of your deployments. Social Mobile offers a suite of managed mobility services from staging and kitting to device repair and 24/7 help desk.

#### WIRELESS CONNECTIVITY

Connect your devices to 5G and LTE networks with nationwide or global connectivity. Keep your devices and users are always online and connected.

### Leadership Team

**Robert Morcos**  
 Founder & CEO

Robert founded Social Mobile in 2011 and never looked back. Today, he has a focus on building a domestic U.S. supply chain to help decrease reliance on an often turbulent global supply chain.

**Ed Shulman**  
 President

Seasoned leader with 20 years of service in the USAF Air Force Special Operations Command, Air Combat Command, and the Air National Guard Office of the Inspector General.

**Jai Rao**  
 Chief Product Officer

Recognized leader in the mobile industry with 20 years experience launching 5G products globally with Motorola and Tech Mahindra. Known for his ability to drive collaborative design and launch world class mobile devices.

**Benjamin Yogel**  
 Chief Financial Officer

Ben oversees all internal finance and accounting while also managing external financing strategies. Prior to Social Mobile, Ben was the Managing Partner and founder of MRC Capital Group, a middle market Private Equity group.

**Mike Burr**  
 Chief Technology Officer

As a U.S. Army veteran, and the former Global Lead Android Enterprise Security at Google, Mike has dedicated his career to the security and mobility industry.

### Key Partners

Social Mobile is an enterprise mobility solutions provider who designs, engineers, and manages custom mobility solutions for clients in all industries from healthcare to retail to defense. We are a validated Android Enterprise Gold partner, Android validated device manufacturer, Play Protect certified partner, Android Enterprise Recommended EMM, and Zero-touch enrollment partner.
